

Our Unique Total Care Education System®

is designed to meet the quality care and academic standards parents want their child to have. Our graduates' outstanding record of achievement directly reflects the success of our Total Care Education System®.

When sending a child abroad, **parents around the world want a school that:**

- Provides a safe, comfortable, and nurturing environment
- Maximizes the child's academic potential to enter the best possible university
- Develops people of distinguished Character and creates responsible Global Citizens

Since 1979, our Total Care Education System® has consistently delivered success on these three goals for parents. With such achievements, we gained the trust of parents and graduates from over 100 countries around the globe and we grew to become the largest and most successful boarding school in Canada.

Columbia International College is the **only** school in the world to offer this education system.
